Thattil House
Valakkazha Road
Kattoor P O
PIN 680702

CARRIER OBJECTIVE

I am seeking a position in a well reputed software company to utilize my technical, database and management skills for the growth of the organization as well as to enhance my knowledge about new and emerging trends in the IT sector.

EDUCATIONAL QUALIFICATION

- **M.Sc** – Computer Science, Calicut University, (2018) – 83.5%
- **B.Sc** – Computer Science, Calicut University, (2016) – 84%
- **HSE** - State board Kerala, (2013) – 82.5%
- **SSLC** , State board Kerala, (2011) – 89%

PROJECTS

- **B.Sc - Computer Science**

Project: Kudumbasree Management

This system is to design an online management system for kudumbasree. Now the details of kudumbasree are manually handled. This project helps them to save time in many aspects.

- **M.Sc - Computer Science**

Project: Face spoof detection with image distortion analysis

The popularity of face recognition has raised concerns about face spoof attacks where a photo or video of an authorized person's face could be used to gain access to facilities or services. While a number of face spoof detection techniques have been proposed, their generalization ability has not been adequately addressed. I propose an efficient and rather robust face spoof detection algorithm based on image distortion analysis (IDA).

ACHIEVEMENTS :

- Doing Internship as ASP.Net developer in Aitrich (Job Portal Site).
- Worked as a CSS Cadet during the year 2013-2016.
- Certificate course in Web Technology.

- Worked as online data entry for 6 months.
- Experience in taking tuition.

TECHNICAL SKILLS :

- Languages Known : C, C++, JAVA, PHP, MySQL, HTML, Java Script, CSS
- Tool : MATLAB, Trello
- Operating system : Windows, Linux
- MS office skills : Word, Excel and powerpoint.
- Database : MySQL
- Version Control : GitHub

DECLARATION

I do hereby declare that all the information provided above are true to the best of my knowledge and belief.

PLACE : KATTOOR
